Financial Management Plan

In cooperation with the Department of Health and the Budget Agency, ISD has scheduled the following dates to review the school's Financial Management Plan: Tuesday, November 9; Tuesday, January 18; Tuesday, April 19; Tuesday, June 21. All meetings will be 9 - 10 am.

Superintendent Laird, Assistant Superintendent Fitzpatrick and Business Administrator Michael Burk will represent ISD.

Computer Committee

ISD will form a computer committee consisting of a representative from each major department to ensure that users' interests are and to prevent any biased decisions. The committee will help decide what to do with the old network system (which still is marginally operational). A new campus-wide network system is being planned with the help of the State's Information Services Division. The committee will review the plans of Information Services and either accept the design or suggest modifications to meet ISD's needs.

Those interested in becoming a representative contact area supervisors to volunteer. The deadline is November 5 1993, so please be prompt. All departments will be represented on this important new committee.

9:00 am - University of Indianapolis Education students will tour with their professor, Dr. Willey

Thought for the Week:

"We have not yet settled the issue that involves the use of American Sign Language in education. It is important to remember that we can't compete with time; I refer to the lengthy arguments about this that take away a lot of time from our deaf children's education. (These children) are not just subjects for discussion; they are human beings. So we must terminate the arguments of selfish people who contend about the best method of teaching, and go on with teaching the kids.

It may not be as simple as all that, but sometimes simplicity is the answer, like the "three R's,"the three R's of education are significant, but equally significant are the three R's we possess now – Recognition, Respect, and Responsibility."

Greg Hlibok - *Gallaudet DPN Student Leader*
